Anthony,

I have attached our current policy related to immigration violations. We are closely tracking any legal or legislative updates on immigration at the State level.

If you have read SB 54 you know that the content is in direct conflict with the recent changes in Federal direction on immigration enforcement.

I would encourage you to reach out to our local elected officials such as the Senator, Assemblymen and maybe even Congressmen LaMalfa to gather the latest on what's taking place at the State and Federal level.

That's what I have to provide you at this time.

Eric R. Reinbold
